2003 Progress Report

Our housing authority is providing eligible persons a equal opportunity for decent, safe and affordable housing.

1. We applied for additional vouchers through the 2002 NOFA. The GMC said our application was disqualified, due to a determination that our agency's FY2000 plan was not approved on or before the application due date. That determination was made in error, and our local field office contacted Michael Diggs to let him know our 2000 plan had been timely filed. Mr. Diggs indicated our application would be reconsidered, but we have received no further information since September 2002.
2. Our SEMAP score for the fiscal year ending 9/30/02 earned us a high performer designation.
2. We solicited input from residents that attended our resident council meetings concerning any problems or concerns. We heard very few complaints, and those we did hear were generally landlord/tenant problems.
3. We continue to recruit new landlords, and the Director maintains an open door policy toward the landlords participating in the program. The landlord has said they appreciate that accessibility. The Director is scheduled to speak to the Landlords Association later in the summer.
4. When new fair market rents were released in the fall, we again increased our payment standards to 110% of those rents.
5. We have not implemented a home ownership program, but as noted elsewhere we are considering it for the future.
